Die cutting machine

Cherry chevron ribbon

3D Foam Adhesive

Vanilla pearl stickers

Cutting Instructions

Card Base: Navy 7" x 5" scored at top

Sky cardstock 2 ¼" x 1 ¼"

Pebble cardstock 1" x 1" (for shell die cut)

For card:

1. Score Navy cardstock at 3 ½" to make a 4 bar card base (finished card measures 5" x 3 ½").
2. Prep Navy card base with Static Magic.
3. Stamp stripe background image along edge of Navy card base in Versamark ink.
4. Apply white embossing powder to stamped stripe image. Cover completely then tap off excess. Gently remove some of the embossing powder from the image using a small dry paint brush (for a distressed effect).
5. Emboss the stripe image using a heat tool.
6. Round the corners of the small Sky cardstock piece using the ¼" side of the Corner Chomper.
7. Stamp the sentiment in the center of the Sky cardstock layer using Versafine onyx ink.
8. Die cut shell shape from Pebble cardstock piece.
9. Stamp shell image on die cut in Versafine onyx ink.
10. Tie Cherry chevron ribbon around card base.
11. Adhere Sky layer to right side of card base.
12. Adhere shell die cut to Sky layer using 3D foam adhesive.
13. Embellish Sky layer with Vanilla pearl stickers.
