TH92801 – Tiny Attacher Staples
ATMAQ01 – Mono Aqua Glue
ASFA001 – 3D Foam Adhesive
9 3/4 x 2 1/4 Candy Bag

Hershey Miniature Candies

Instructions:

Step One: Cut the Cherry, Wasabi Hexagon and Onyx Polka Dot cardstock using the wider die in the candy wrappers die set. Wrap three Hershey miniatures and put them into a 9 3/4" by 2 1/4" candy bag. Trim the bag so there's an inch of space above the candies.

Step Two: Cut a 4" by 3" rectangle of wasabi hexagon cardstock and score it at 2" on the 4" side. Fold the topper over the bag, then use the tiny attacher to staple it closed.

Step Three: Die cut an ugly sweater out of your Cherry cardstock and a candy cane out of Vanilla. Ink up your ugly sweater stamp with memento tuxedo black ink. Lay your die cut ugly sweater on the inked stamp, Cherry side down, then place an acrylic block on top. Press down to stamp the outline and then lift it off. Repeat this with your candy cane stamp and then color it with your R29 Copic marker. Use the 3D foam adhesive to attach it to your ugly sweater.

Step Four: Cut a 1/4" by 3" strip of Onyx Polka Dot paper and a 3/4" by 3" strip of Vanilla cardstock. Stamp your sentiment onto the strip of Vanilla cardstock using Memento Tuxedo Black Ink. Use the Mono Aqua to adhere the Vanilla strip and the Onyx Polka Dot strip onto the wasabi hexagon topper, be sure to cover the tiny attacher staples.

Step Five: Cut a 12 1/2" length of onyx baker's twine and tie it in a bow around your topper as pictured.

Step Six: Adhere your decorated ugly sweater to the treat topper using Tombow Mono Aqua glue.
