- 144106 Multipurpose Adhesive Sheets
- 138995 Tear & Tape Adhesive
- 144108 Mini Dimensionals
- 104332 Snail Adhesive
- 103683 Glue Dots

Project Details:

- Broadway Bound Designer Series Paper (green & white stripes/gold with white sparkles)
 - 5-1/2" x 12" scored at 4", 7-1/2", 8" and 11-1/2"
- Gold Glimmer Paper
 - Scrap for die-cutting marquee
 - 2" x 5-1/2"
- Whisper White Cardstock
 - 1-1/4" x 5-1/2"
 - Scraps for stamping and punching sentiments
 - Scrap for stamping and die-cutting party hat
- Basic Black Cardstock
 - Scrap for die-cutting marquee
 - 1-7/8" x 5-1/2"

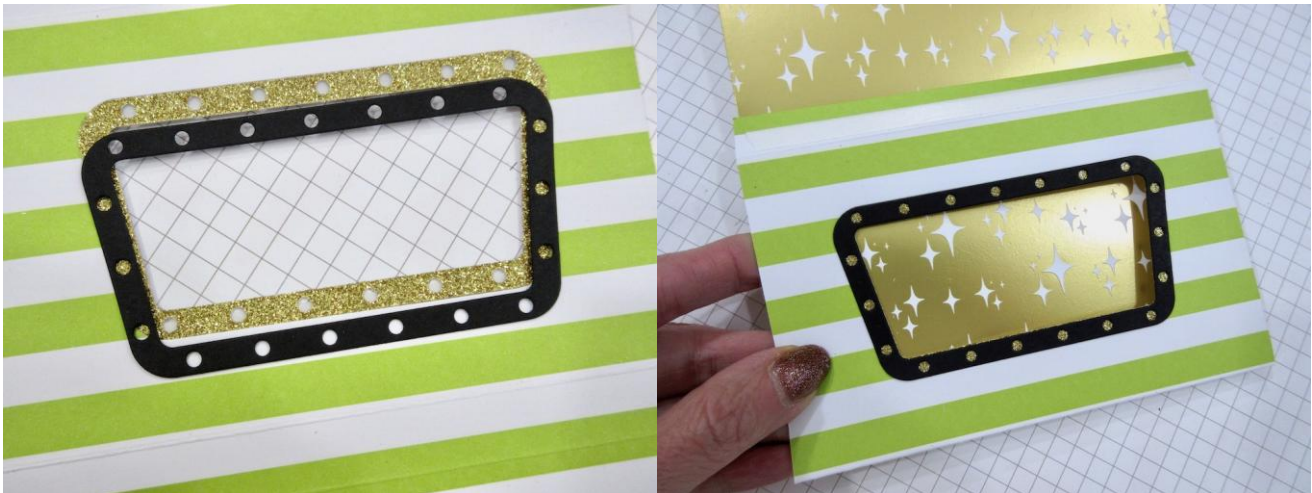

Instructions:

1. Stamp “Hooray” on 1-1/4” x 5-1/2” strip of Whisper White cardstock. Stamp two sentiments and party hat on scraps of Whisper White cardstock. Punch the two sentiments using the Classic Label Punch. Die-cut the party hat.
2. Keeping green and white stripes on the outside and gold sparkles on the inside, fold designer paper piece on the score lines to form the card base. Use a Bone Folder to make the folds crisp. (The last 1/2” wide section will attach just before the first 4” score line and be where the designer paper connects to itself. But don’t attach yet.)
3. Die-cut the marquee between the 8” and 11-1/2” score lines from the card base designer paper. (Discard the pieces that get cut out.)
4. Die-cut the marquee from the Basic Black scrap. (Discard the middle.)
5. Die-cut the marquee from the Gold Glimmer Paper scrap, but be sure to line up the die with the white side of the glimmer paper before cutting. (Discard the middle.) This will make it so the holes will not line up when putting the black marquee on top of the gold marquee. If you die-cut with the gold side against the die, that’s okay...just flip the black marquee over to get the same effect.

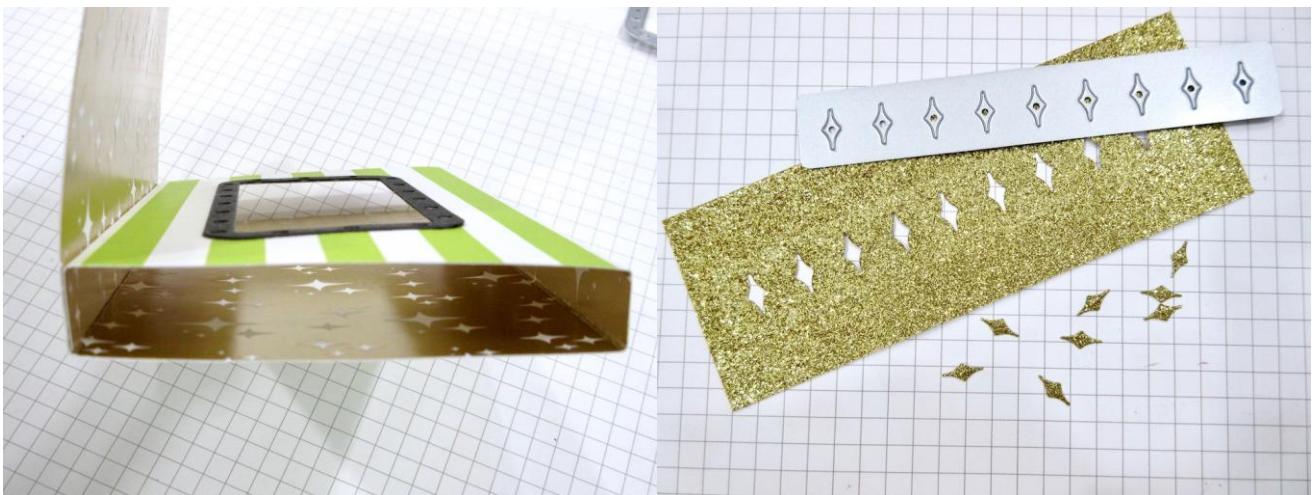

6. Flip the card base over to the gold side. Attach the Gold Glimmer marquee upside-down inside the window area of the card base by using Tear & Tape Adhesive to connect this frame to the card base and NOT removing the tape backing.

7. Flip the card base back over to the green and white striped side. Attach the Basic Black marquee so the holes won't line up with the holes in the Gold Glimmer paper marquee. Use Glue Dots to attach, and be careful not to add the Glue Dots where they will be exposed through the holes of either the gold or black marquees.

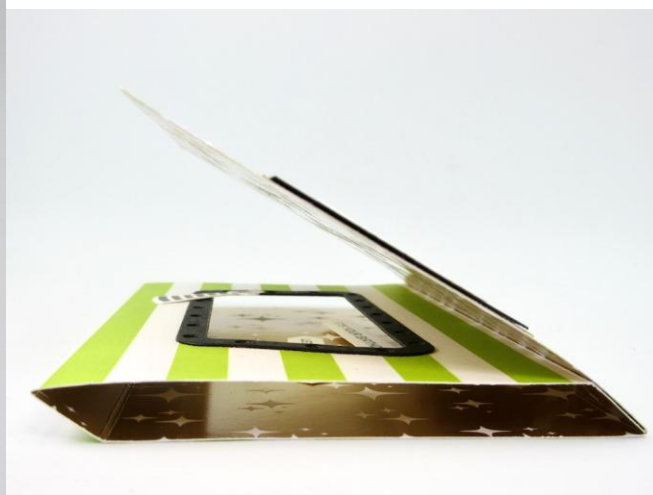

8. Add a strip of Tear & Tape Adhesive to the last $\frac{1}{2}$ " scored section on the green & white side of the card base close to the score line. Fold the card inward at the 8" score line, remove the Tear & Tape backing on that $\frac{1}{2}$ " section, and fold the rest of the card over at the 4" score line to connect with the tape. Make sure it opens correctly forming a "shadow box" (as shown).

9. Add a strip of Multipurpose Adhesive Sheet to the back (white) side of the 2" x 5- $\frac{1}{2}$ " glimmer paper.
10. Die-cut the sparkles from the center of the 2" x 5- $\frac{1}{2}$ " glimmer paper. Then layer the stamped 1- $\frac{1}{4}$ " x 5- $\frac{1}{2}$ " Whisper White piece to the 1- $\frac{7}{8}$ " x 5- $\frac{1}{2}$ " Basic Black using SNAIL, the black to the 2" x 5- $\frac{1}{2}$ " glimmer paper using Glue Dots, and the glimmer paper to the closed card front using SNAIL.

11. Remove the tiny sticker backings from the little die-cut sparkles, and attach them to the front of the card to embellish.
12. Open up the card into an L-shape so the window is right above the middle of the inside of the card. Add the punched sentiments with Mini Glue Dots and SNAIL. Add a couple Candle Embellishments.
13. Then attach the die-cut party hat to the marquee using Glue Dots.

2. Fold 4-1/2" x 4-1/2" panels backward so the 1/2" piece of cardstock is sticking out.
3. Insert 1/2" fold halfway into Classic Label Punch and punch to create a slot to place a gift card inside card.
4. Slide punch to right side leaving a bit of the end of the card sticking out and punch again. (Try to line up the punch to the best of your ability from where you punched out the center part of cardstock.) Repeat on left side.

15. Adhere to center of Whisper White panel using Stampin’ Dimensionals.

Project Details:

 - 2" square for stamping and fussy cutting gift ribbon from Nothing Sweeter
- Silver Foil Paper

- Whisper White Card Stock
 - 1” square for die cutting tiny tag from Coffee Cups Framelits
 - 1” x 3-1/2” for punching Happy Birthday from Itty Bitty Greetings

Instructions:

1. Using your Gift Bag Punch Board and the 6” x 10” Designer Series Paper, make a small gift bag according to the directions.
2. Turn the bag around in the Gift Bag Punch Board and score horizontal all the way across that end of the bag.
3. Turn the paper over (face down) so the other pattern is up. You want the large section with no gussets on the start line, not the glue tab small section. (See photograph below.) Punch the far end. Then slide the paper over to line the first score line on the punch line. Punch again.
4. The two punches have created a flap to close the bag. Using your paper trimmer cut along the horizontal score line removing all but the flap you made. (See photograph below.)

5. Assemble the bag. The Tear & Tape goes on the smallest vertical panel and on the bottom front flap to secure the bag.
6. Fold the top flap over the front of the bag closing the bag. Then adhere the second pattern of Twinkle Twinkle Designer Series paper to the flap. You want to align the long edge of the paper with the fold at the top of the bag.
7. The second pattern of Designer Series Paper will be longer and wider than the original flap. Open the flap and trim the excess Designer Series Paper.
8. Close bag and put two Stampin' Dimensionals on the bag where the flap meets the body of the bag. Be careful not to catch the flap in the adhesive gluing your box closed.
9. Adhere the Pool Party 1-3/4" Circle to the Sparkle 2" Circle with Tear & Tape. Adhere the circles to the Silver Foil Starburst, then adhere the whole thing to the Stampin' Dimensionals on the bag. This makes a tuck closure for the bag so it can be opened and reclosed without damage.
10. Die cut the Night of Navy gift. Stamp the ribbon image on the third pattern of Twinkle Twinkle Designer Series Paper using Night of Navy ink and fussy cut. Glue the two pieces together with Multi Purpose Liquid Glue. Adhere to the circles just high of center with a Stampin' Dimensional.
11. Stamp "Happy Birthday" on Whisper White and punch out with the Classic Label Punch. Adhere to the box as shown using a double layer of Mini Stampin' Dimensionals.
12. Lastly die cut tiny tag from Coffee Cups Framelits out of Whisper White. Stamp the bitty little heart image from Pick a Pennant using Petal Pink Ink. Thread with Whisper White Baker's Twine and tie a thread knot. Adhere to the gift with a Mini Glue Dot.
