Instructions:

1. Insert Classic Label punch as far as it will go into one end of the 4-1/4" x 11" Petal Pink Cardstock, center it, and punch. Then shift it and punch again to the right and to the left so that this punched slot is widened to be one inch from each side. (You may want to use a ruler and pencil to mark before punching.)
2. Punch each end of the 2" x 11" Petal Pink Cardstock strip with the Delightful Tag Topper Punch.
3. Stamp the sentiment image onto the punched out Classic Label piece.
4. Use SNAIL to adhere the sentiment piece to the 3" x 4-1/4" designer paper piece. Trim off the excess Petal Pink if adding close to the edge as shown. Then adhere the designer paper onto the 3-1/4" x 4-1/2" Basic Black piece. Add a rhinestone to the Petal Pink sentiment area if you wish.

5. Adhere the smaller designer paper piece just below the middle score line of the 2" wide Petal Pink strip. Position a gift card above the score line (do not adhere), stamp "to" and "from" as shown, then remove the gift card. (Trim the "to, from" stamp image to separate these two words, or ink up only one word at a time to make it easier to add the images.)
6. Attach strips of Tear & Tape Adhesive to the inside of the 4-1/4" x 11" Petal Pink piece as shown.

10. Add Tear & Tape on the back bottom and back middle of the card front layer. Peel off the release paper on the card front layer and on the Petal Pink card base.
11. Then center and adhere this layer onto the front of the card.

- 138995 Tear & Tape Adhesive
- 104430 Stampin’ Dimensional

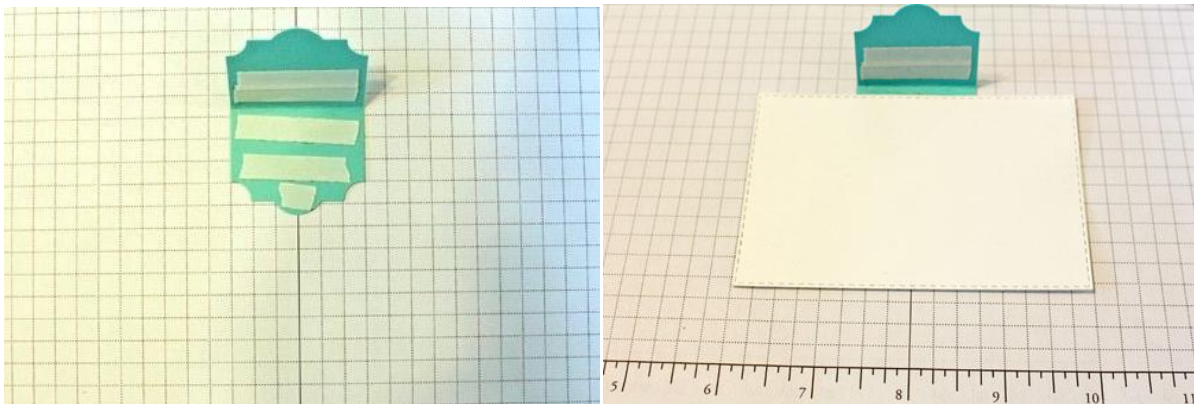

Project Details:

- Pacific Point Cardstock
 - 5-1/2” x 7”, scored at 2” and 5”
 - Scrap for punching Everyday Label
- Calypso Coral Cardstock
 - 1-1/2” x 7-1/2”

- Coastal Cabana Cardstock
 - Scraps for punching the Everyday Label and Starburst
- Whisper White Cardstock
 - 2” Circle
 - 2-5/8” x 4” Stitched Rectangle
 - Scraps to stamp and die-cut the bottles
- Follow Your Art Designer Series Paper
 - Paint Pattern 1-3/4” x 5-1/4”
 - Art Tools Pattern 1-3/4” x 5-1/4”

Instructions:

1. Score and fold the Pacific Point Cardstock and adhere the designer series paper centered on the first and third sections. Cut a little thumb notch centered in the first panel using a 1-1/2” Circle Punch. Check the picture above for reference.
2. Put Tear & Tape Adhesive on the far right and left edges of the notched panel up to the first score line. Pull the release paper and fold up at the first score line to make a pocket.

3. Wrap the belly band around the gift card envelope and secure with Tear & Tape, be sure that it's loose enough to slide. Cut the Pacific Point Everyday Label in half. Using SNAIL Adhesive, adhere to the belly band with a gap in the center "stretching" the label. Using the same adhesive, adhere the Coastal Cabana Starburst over the cut Pacific Point Label covering where the Everyday Label was cut.
4. Stamp the sentiment with Calypso Coral Stampin' Pad on the bottom half of the 2" Whisper White circle and adhere to the Coastal Cabana Starburst using Stampin' Dimensionals.
5. Stamp, color and die cut the ink bottles and adhere them to the 2" Whisper White circle using SNAIL Adhesive. You will also need little bits of Stampin' Dimensionals to support the tops of the bottles where they extend past the edge of the circle.

6. **INSIDE:** Fold a Coastal Cabana Everyday Label in half and add Tear & Tape to the entire back half, but only half of the front half, pictured left. Peel the release from the back half and lay the Whisper White stitched rectangle on top, but not all the way up to the fold. We want the label to make a pull tab that extends past the edge of the rectangle, pictured right.
7. Peel the release paper from the Tear & Tape on the front half of the label and secure. This makes a space you can slide the gift card under. It will be secure but there will be no need for adhesive on the actual gift card.
8. Die cut your Calypso Coral button. Thread with Linen Thread and tie a bow. Adhere to the Coastal Cabana pull tab with SNAIL Adhesive.

Project Details:

- Whisper White Thick Cardstock
 - 4-1/4" x 11" card base
 - 3-1/2" x 4-3/4"
 - 2" x 2-1/2"
 - 2-1/8" x 3-1/4"
 - Scrap for stamping & die-cutting floral piece

 - Scrap to punch tab piece
- Pool Party Cardstock
 - 1" x 4-1/4"
- Sahara Sand Cardstock
 - 4" x 5-1/4"

Instructions:

1. Start by cutting and prepping the pocket... Score 1/4" in on the two long sides and one short side of the 2-3/4" x 3-1/4" Calypso Coral piece. Angle cut to make these crease marks form tabs.
2. Use the scallop piece from the Bloom & Grow Bundle to cut a small amount off of the non-scored 2-3/4" edge. This decorative edge will become the top of the pocket. Add Tear & Tape adhesive to the 3 sides that were scored.

3. Use the Subtles 3D Embossing Folder to emboss the Sahara Sand Cardstock. Add it to the Whisper White card base. Layer the 3-1/2" x 4-3/4" piece of Whisper White Cardstock on to the Sahara Sand layer. Remove the Tear & Tape adhesive and add the pocket to the Whisper White card stock on the card, position it about 3/4" from the bottom leaving room in the pocket for a gift card & the tabbed insert.
4. On the smallest Whisper White Cardstock stamp the cluster of flowers using the "second generation" stamping method: first stamping off on scrap paper and then onto the cardstock. This makes the image lighter. Attach it to the pocket using Snail Adhesive.

5. Trim each end of the Pool Party Cardstock in a ribbon style and add to the top of the pocket with Dimensionals.
6. Stamp the floral arrangement in Memento Tuxedo Black Ink and color with Stampin' Blends. Cut it out with the matching die. Add it to the top of the Pool Party Cardstock with Snail Adhesive.
7. Punch the Circle Tab Punch piece from the Calypso Coral Cardstock scrap and add it to the top of the 2-1/8" x 3-1/4" piece. Then stamp the sentiment with Sahara Sand Ink. Add gift card and note into the front pocket.
