 - 4" x 5- $\frac{1}{4}$ "

 - Scrap for stamping duck
- Bright Designer Paper
 - 1- $\frac{7}{8}$ " x 3- $\frac{7}{8}$ " (flap)

Instructions:

1. Stamp the baby ducks twice along the bottom edge of the 4" x 5 $\frac{1}{4}$ " Whisper White piece. Stamp your larger duck on the scrap piece of Whisper White. Color in the images with the Stampin' Blends Markers.

2. Stamp grass image from Fable Friends below duck's feet in Pear Pizzazz "stamped off" ink. (Stamping onto scrap paper first and then onto cardstock is also called 2nd generation stamping.)
3. Hand cut out the larger duck and add Stampin' Dimensionals behind her.
4. Layer the rectangles pieces: Whisper White onto the Daffodil Delight onto the Basic Black. Do this to both sets of rectangles. One will be layered on top of the flap and the 2nd one will be for under the flap. When the flap is lifted the second rectangle layer will be to write your message or stamp another greeting if you wish.
5. Stamp the grass stamp again with the Pear Pizzazz Classic Ink using the 2nd generation technique on the left bottom of whisper white rectangle piece. Position your larger duck on the grass. Then stamp the Happy Spring to the right-hand side of the duck.
6. Layer the Whisper White piece with the baby ducks onto the 4-1/8" x 5-3/8" Basic Black. Add Tear & Tape to the 1/4" tab on the 2" x 4-1/4" Basic Black Cardstock and adhere the tab to the back-side of the Basic Black base card layer. Adhere this to the Daffodil Delight card base. You should NOT see the tab since it will be between the Basic Black and Daffodil Delight layers.
7. Adhere the Brights Designer Paper to the Basic Black. Adhere your unstamped rectangle onto the Whisper White above the baby ducks making sure you are lined up under the flap area. Now line up the rectangle piece with the duck and greeting on top of the flap so it is lined up with and covers the rectangle underneath.

8. Make sure to **ONLY** add adhesive to the flap to adhere your duck rectangle piece. You want to be able to lift this flap to reveal your inside message. The baby ducks should be seen when the flap is open or closed for the over all design of the card.

1. First create the base of the bag. Use the 5" x 7" piece of Cardstock and score at 1" on all four sides. Trim in on two of the sides to the base score line, creating tabs on each side of the base. Fold and use Tear & Tape Adhesive to adhere tabs and create box.
2. Use Tear & Tape Adhesive on one end of one piece of the 6" x 8-1/2" designer series paper. This creates one long piece of designer series paper. At one 6" side of the long piece place another strip of Tear & Tape Adhesive. But don't remove the backing just yet.

3. Around the outside of the Soft Sea Foam Cardstock box base add Tear & Tape Adhesive. Put the adhesive all the way around the box. Remove the backing.

9. Cut a cross out of Fresh Fig Cardstock from the Crosses of Hope Framelits and the banner piece from same Framelit set out of Whisper White Thick Cardstock.
