### Instructions:

1. Prepare candy box base base. Score, cut and fold as stated above using Mint Macaron Cardstock. See video and photograph for more details. At the top of the long piece of the candy box base, punch the tag topper using the Delightful Tag Topper Punch. Cut all pieces of Flowers for Every Season Designer Series Paper.
2. Punch the two butterflies using Misty Moonlight Dots Designer Series Paper. Using 1/6 of a sponge or a sponge dauber, ink the outside of the two punched out butterflies using the Misty Moonlight Stampin' Pad.
3. Adhere the Designer Series Paper to the candy box base using Multipurpose Liquid Glue. Adhere the box together using Tear and Tape or Stampin' Seal+ Adhesive.
4. On the piece of Whisper White Cardstock, stamp the sunflower using the Tuxedo Black Memento Pad. Color in using the Daffodil Delight, Just Jade, Pumpkin Pie, Soft Suede and Bronze Stampin' Blends. Die cut.
5. Die cut two sprigs using the Just Jade Cardstock. Die cut one detail leaf using Mint Macaron Cardstock. Adhere the leaf and the double sprig to the back of the colored and die cut sunflower using Multipurpose Liquid Glue. Adhere the sunflower with the leaf and sprig to the front of the candy box base. Only put the dimensionals on the bottom half of the sunflower. Adhere the single sprig to the top of the tag topper using Multipurpose Liquid Glue.
6. Using the Bumblebee Gingham Ribbon thread the ribbon through the hole and make a bow. Adhere the two punched out butterflies to the candy box base as shown using Multipurpose Liquid Glue. Place the silver and gold Metallic Pearls on the flower center (optional) and the butterflies as shown.
7. Assemble the 2 x 2 x 2" candy box and fill with candy. Place the assembled box inside the candy box base.
