- Misty Moonlight with White Stripes: 4 x 5-1/4" from the same sheet as the 2-1/2 x 4"
- Rich Razzleberry with Crackle Design: 1-1/4 x 3-1/2"

Whisper White with Dapper Denim Twine: About 14"

Instructions:

1. Prepare the cardbase by scoring and folding a "z fold" card base according to the measurements above. Prepare and adhere the two pieces of Designer Series Paper to the cardbase using Multipurpose Liquid Glue.

1. At the bottom of each stitched rectangle, stamp the small coffee cups using the Tuxedo Black Memento Pad. Color the cups using the following Stampin' Blends: Melon Mambo, Balmy Blue, Night of Navy and Rich Razzleberry.
2. Adhere the first stitched rectangle to the inside of the card, then line up the second stitched rectangle with the inside card and adhere it to the outside of the cardbase. Make sure you do NOT place any adhesive on the bottom half of the outside stitched rectangle. If you do, you will glue your card closed.
3. Adhere the heart to the cardbase as shown using Multipurpose Liquid Glue.
4. On the 5/8" strip of Balmy Blue Cardstock, stamp the sentiment using the Tuxedo Black Memento Pad. Punch out a dovetail using the Tailored Tag Punch, or fussy cut using your Paper Snips. Using the Whisper White with Dapper Denim Twine that's provided, wrap the

twine around the sentiment strip two times and make a medium sized bow. Adhere the sentiment strip to the cardbase.

5. On the 2 x 4" scrap of Whisper White Cardstock, stamp two large coffee cups using the Tuxedo Black Memento Pad. Color in using the Balmy Blue Stampin' Blends as shown. Fussy cut. With the extra cardstock, stamp one more small cup with diagonal stripes and color in using your Melon Mambo, Balmy Blue and Rich Razzleberry Stampin' Blends. Fussy cut.
6. Using the Tuxedo Black Memento Pad, stamp two more coffee cups on the designer series paper of your choice. You will only be using the middle portion of the cup, so the whole cup need NOT fit onto the designer series paper. Fussy cut the middle section of the cup and adhere it to the cup on the Whisper White Cardstock using Multipurpose Liquid Glue. Adhere the cups to the cardbase as shown using Stampin' Dimensionals.
7. Adhere the small cup with diagonal stripes to the same cup on the inside of the card using a Stampin' Dimensional. Now you can use that small coffee cup to act as a stopper for your easel card.
