Instructions:

1. Prepare treatbox bottom and lid by scoring, folding and cutting the Early Espresso Cardstock and the Misty Moonlight Dots designer series paper as shown in the measurements above and the template provided. Form the top and bottom of the box using Tear & Tape or Stampin' Seal+ Adhesive.

2. Place the Foam Adhesive Sheet to the 1-1/4 x 3" piece of Early Espresso Cardstock. Do all die cutting according to the measurements above. With the Cinnamon Cider Wood pattern designer series paper, punch out the dovetails using the Tailored Tag Punch on both sides.
3. On the stitched circle, stamp the sentiment "Because Adulting is Hard" using the Misty Moonlight Stampin' Pad. Using Multipurpose Liquid Glue, adhere the stitched circle to the scalloped circle. Punch a hole in the scalloped circle piece using a 1/8" Circle Punch. Using the Linen Thread, thread the hole and make a medium bow. Adhere the Cinnamon Cider designer series paper with the dovetails to the Just Jade label using the same adhesive. Adhere the scalloped circle piece to the Just Jade label using the Stampin' Dimensionals.
4. Adhere the Early Espresso label die cut earlier to the center of the lid using Multipurpose Liquid Glue. Place the combined Just Jade label with the scalloped circle piece on top of the Early Espresso label continuing to use the same adhesive.
5. Remove the release paper on the word "Chocolate" and place the word above the sentiment "Because Adulting is Hard."
6. Place a delicious treat inside the box, I used a Little Debbie Marshmallow Pie, and place the lid on top of the box. Hand it to a good friend and enjoy watching their face light up with excitement!
