Instructions:

1. Prepare cardbase. Cut your designer series paper and adhere the Misty Moonlight pieces as shown using Multipurpose Liquid Glue. ****Hint**** save the strip from the dot pattern after you cut the piece for the lid of the matching treat box. It's almost a perfect piece.
2. Place the Foam Adhesive sheet on the 1-1/4 x 3" Early Espresso Cardstock piece. Do NOT remove the release paper yet. Do all die cutting according to the measurements above. With the Cinnamon Cider Wood pattern designer series paper, punch out the dovetails using the Tailored Tag Punch on both sides.
3. On the stitched circle, stamp the sentiment "You're just like" using the Misty Moonlight Stampin' Pad. Using Multipurpose Liquid Glue, adhere the stitched circle to the scalloped circle. Punch a hole in the scalloped circle piece using a 1/8" Circle Punch. Thread the hole with the Linen Thread and make a medium bow. Adhere the Cinnamon Cider designer series paper with the dovetails to the Just Jade label using the same adhesive. Adhere the scalloped circle piece to the Just Jade label using the same adhesive.
4. Place the Square Vellum Doily in the upper center of the card front. Next adhere the Early Espresso label over the doily using Multipurpose Liquid Glue. This will also hold the doily in place. Adhere the Just Jade label with the scalloped circle piece on top of the Early Espresso label continuing to use the same adhesive.
5. Remove the release paper on the word "Chocolate" and place the word under the sentiment "You're just like."
