Instructions:

1. Prepare the treat box base by scoring, folding and cutting the Basic Black Cardstock using the measurements above and template photo provided.

2. On the Basic Gray Cardstock, use the letterpress technique and emboss the spiderweb using the Cobwebs 3D Embossing Folder and the Tuxedo Black Memento Pad. Adhere to the base of the treat box as shown using the Multipurpose Liquid Glue.
3. Do all die cutting and punching according to the measurements above. Adhere the "moon" to the box as shown using Multipurpose Liquid Glue. Adhere the two small bats to the "moon" by folding the wings up and then using the same adhesive on the body of the bat. Do the same for the medium sized bat, but adhere it to the clip provided using a Mini Glue Dot or Black Stampin' Dimensional, and set aside.
4. On the Whisper White tag, stamp the haunted house image using the Tuxedo Black Memento Pad. If you want a darker impression, you can also use the retired Archival Black Craft Pad or a Staz On Stamp Pad. Stamp the same image using the same ink on the Bumblebee Cardstock. Fussy cut the "trick or treat" banner from the Bumblebee image and adhere it to the image on the tag using Multipurpose Liquid Glue. Color in the windows using the Light So Saffron Stampin' Blend if you choose.
5. Thread the holes of the two tags using the Linen Thread and make a medium sized bow. Place a drop of Multipurpose Liquid Glue to hold the two tags together. Adhere to the base of the treatbox as shown using Black Stampin' Dimensionals.
6. Use a corner rounder to round the corners of the top flaps. Use Tear & Tape or Stampin' Seal+ Adhesive to assemble the treat box. Do NOT place any adhesive on the flaps at the top of the box, otherwise your box will be sealed closed. Place your Pez Dispenser inside the box and then close the top with the bull nose bat clip.
