October 2020 Tutorials

Thank you for your purchase! I hope that you enjoy the fabulous “better than flat” projects that my fellow demonstrators and I have created for you this month. I appreciate your loyalty! Please remember that these special tutorials are for you, and I do kindly ask that you not share them. If you’d like to share an idea, please alter the project to make it your own and share it in your own words OR direct others to where they can access the tutorial from me. The demonstrators that made these tutorials put a lot of work into what they created. Your understanding is appreciated.

If I can answer any questions or help you with online ordering, please don’t hesitate to call me. I want to give you the BEST service I can!

Instructions:

1. Adhere the Plaid Tidings Designer Series paper to the Misty Moonlight Cardstock. Find center on both 3" sides using the centering ruler on the Stampin' Up! Grid Paper. Mark with a pencil and cut 1/2" circle notches centered on either end of the card. Refer to the photos above and below.

2. Die cut the tag from Ornate Frames from Whisper White scraps. Trim 1/4" off the end of the tag. Stamp "hello" on the tag using Soft Suede ink. Use a 1/8" Circle Punch to enlarge the thread loop on the tag to accommodate the 1/4" ribbon.
3. Fill the bag from the Stampin' Dimensionals with a flat candy of your choice. Fold the bag over to reseal. Adhere the bag to the card using two Mini Glue Dots.
4. Wrap bag card with ribbon, thread on the stamped tag and tie a bow.
5. Stamp a leaf on a Bumblebee Cardstock scrap using Bumblebee ink, stamp a leaf and the apple leaf on Old Olive Cardstock using Old Olive ink and stamp the leaf and stem on Soft Suede Cardstock using Soft Suede ink.

Punch or die cut the stamped images. Stamp the apple on Poppy Parade Cardstock using Soft Suede ink and punch.

6. Slide the leaves under the ribbon on the package and adhere them to the bag with Stampin' Dimensionals. Trim the stems if necessary.
7. Adhere the stem and leaf to the apple using Multipurpose Liquid Glue and Stampin' Dimensionals then adhere to the package on top of the leaves using Stampin' Dimensionals.
