Instructions:

1. Prepare gift card pocket by threading one end of the cardstock into the die from back to front, then run it through the die cutting machine. DON'T crank all the way! Back out. Cut off the end. I used a 2-7/8" stitched circle from the Stitched Shapes Dies, but you can use a similar shaped die as well. For the designer series paper, I used the 2-5/8" circle from Layering Circles Dies. Cut the designer series paper using the same partial die cutting technique. See video and photo below for further instruction.

2. Emboss the pocket with the Wrapped in Texture Embossing Folder, embossing the side opposite of the partial die cut curve. Then using a 2" circle punch cut a notch for easy gift card removal. Using Tear & Tape Adhesive on the right and left edges of the embossed segment, make a pocket.
3. Adhere the designer series paper to the outer flap of the pocket using Multipurpose Liquid Glue. Place the gift card into the pocket and wrap the belly band around the pocket. Adhere the belly band using Stampin' Seal+ or Tear & Tape Adhesive. Wrap the ribbon around the belly band and adhere using the same adhesive.
4. Adhere the embossed Label Me Lovely label using Stampin' Dimensionals and the sprigs using Multipurpose Liquid Glue. Using the Shaded Spruce Stampin' Pad, stamp the sentiment from the Itty Bitty Christmas Stamp Set on the punched out circle and a bow on Mint Macaron Cardstock. Punch out the bow. Adhere the stamped circle to the label as shown using Stampin' Dimensionals.
5. Thread the Jingle Bell using Linen Thread and make a bow around the stamped and punched out bow. Adhere to the label using Stampin' Dimensionals and Mini Stampin' Dimensionals.
