Instructions:

1. Prepare your lip balm box base from Basic Black Cardstock according to the measurements and template photo above. Adhere your designer series paper pieces to the center segments skipping the last large center segment as this is the bottom of the box. Assemble the box with Tear & Tape adhesive, add the lip balm or lip stick and close the box.
2. Adhere your designer series paper to the ends of the outer wrapper. I clipped all the corners first to make a tag shape. Adhere the lip balm box into the center segment of the outer wrapper using Tear & Tape Adhesive. Decorated the insides of the wrapper if you so desire. Punch a hole at the top of the tags using a [1/4" Circle Hand Held Punch](#), thread and tie with ribbons to secure.
3. Adhere the last strip of designer series paper, the one with the chicken lips, to the front of the package using Stampin' Dimensionals.
4. Stamp heart pattern on your Magenta Madness punched heart using Magenta Madness ink then adhere to the scalloped white heart using Multipurpose Liquid Glue. Adhere the hearts to the treat box using Black Stampin' Dimensionals.
5. Stamp the lipstick tube on Smoky Slate using Memento ink and fussy cut. Stamp the lipstick in Real Red ink on Real Red Cardstock and fussy cut. Adhere the two pieces together and then adhere to the treat box using Stampin' Dimensionals.
