Instructions:

1. Prepare your Blushing Bride card base and emboss it with the Painted Texture 3D Embossing Folder. Adhere your 2-1/2" square of designer series paper to the white scallop square using Multipurpose Liquid Glue, then adhere the squares to the card front using the same adhesive.
2. Stamp your leaves and tops on the Granny Apple Green cardstock using Old Olive ink, then punch with the Strawberry Builder Punch. Stamp the flowers on the So Saffron Cardstock using Daffodil Delight ink and then punch with the Strawberry Builder and Small Bloom Punch. Punch two strawberries from scraps of designer series paper.
3. Stamp your sentiment on the white strip using Real Red ink and trim the ends with the Tailored Tag punch making dovetails. Using the same punch, dovetail the ends of the Real Red heart pattern paper. Adhere the strips to the card front using Multipurpose Liquid Glue.
4. Adhere the tops to the strawberries using Multipurpose Liquid Glue, then adhere them to the card one with the same adhesive and one with Mini Stampin' Dimensionals.
5. Adhere the punched leaves and flowers to the card front using Multipurpose Liquid Glue and Stampin' Dimensionals.
6. Tie a twine bow and adhere it to the sentiment strip using Multipurpose Liquid Glue or a Mini Glue Dot.
7. Embellish with Resin Hearts.
