Snail Mail Twine: about 9"

Instructions:

1. Prepare your Pool Party card base and emboss it with the Painted Texture 3D Embossing Folder. Adhere your designer series papers to the card front using Multipurpose Liquid Glue, then adhere the Blushing Bride label and Bermuda Bay scallop oval to the card front using the same adhesive.
2. Stamp your leaves and tops on the Granny Apple Green cardstock using Old Olive ink, then punch with the Strawberry Builder Punch. Stamp the flowers on the So Saffron Cardstock using Daffodil Delight ink and then punch with the Strawberry Builder and Small Bloom Punch. Punch a strawberry from a scrap of designer series paper.
3. Stamp your sentiment on the white oval using Bermuda Bay ink, punch a 1/8" circle hole in the top making a tag. Thread the Snail Mail Twine through the hole and tie a loopy bow, then adhere the tag to the card front using Stampin' Dimensionals.
4. Adhere the top to the strawberry using Multipurpose Liquid Glue, then adhere it to the card with Mini Stampin' Dimensionals.
5. Adhere the punched leaves and flowers to the card front using Multipurpose Liquid Glue and Stampin' Dimensionals.
6. Embellish with Resin Hearts. TIP: Color your white Resin Hearts with Stampin' Blends to get pink hearts!
