Adhere the designer paper to the cardbase using Multipurpose Liquid Glue.

2. Using the Misty Moonlight Stampin' Pad, stamp the dragonfly. Stamp to color in the wings using the Seaside Spray Stampin' Pad. To fill in both wings, just turn the fill image 180 degrees to fill in the other side, it will not be perfect but it still looks great! Punch out using the Dragonflies Punch and set aside.
3. Stamp the sentiment on the stitched circle using the Misty Moonlight Stampin' Pad. Adhere the punched label and the stitched circle to the cardbase as shown using the same adhesive.
4. Make a bow and adhere it with a Mini Glue Dot just above the stitched circle.
5. Adhere a ladybug Trinket in the center of the bow using another Mini Glue Dot.
6. Adhere the dragonfly by gluing only the body of the dragonfly, then lifting the wings slightly.
