## Instructions:

1. Prepare cardbase by embossing using the Hammered Metal 3D Embossing Folder. Then adhere the designer paper to the cardbase using Multipurpose Liquid Glue.
2. Emboss the Seaside Spray cardstock piece using the Tasteful Textures 3D Embossing Folder and punch out a label using the Everyday Label Punch adhere to the card front. If you are using the Dragonfly Garden Stamp a Stack Class Packet, you can punch this from the embossed Seaside Spray piece in the Misty Moonlight card kit.
3. Using A Memento Tuxedo Black Ink Pad stamp the crocodile, bird, and fishes from the Oh Snap! stamp set on the Basic White cardstock. Color your images with Mossy Meadow Combo and Calypso Coral Combo Stampin' Blends then cut out the images and set aside.
4. Die cut the second smallest stitched scallop rectangle using the Stitched So Sweetly Die set from Basic White.
5. Without adhesive position your crocodile on the label, then place your sentiment stamps face down around the crocodile where you'd like them to stamp. Pick them up on one Acrylic Block, ink with Memento Tuxedo Black, move your crocodile out of the way and stamp. Adhere the rectangle to the cardbase using Multipurpose Liquid Glue.
6. Make a bow and adhere it with a Mini Glue Dot at the top of the Everyday Label.
7. Adhere a Ladybug Trinket in the center of the bow using another Mini Glue Dot.
8. Adhere the crocodile and the bird to the card using Stampin' Dimensionals and the fish using Multipurpose Liquid Glue.
