Instructions:

1. Score the end of each large Bermuda Bay label 1-1/8" from the point. Burnish the scores and fold both of them toward the side where the stitching feels bumpy. This is the inside of the candy holder.

3. Adhere the candy bag to one label so that the top of the bag doesn't peek above the top or bottom of the large Bermuda Bay label and press carefully for a good seal.
4. Carefully Adhere the second Large Bermuda Bay label to the candy bag, making sure the folded bottoms of the two labels line up. Press carefully for a good seal.
5. Using a 1/2" circle punch, punch a hole in both ends of a large Bermuda Bay labels. Don't punch too deep, you will punch through your candy bag. Make sure that the labels are lined up nicely and punch through both layers for best match on both sides.
