- Stamp the large flower on Calypso Coral using the Calypso Coral Stampin' Pad. Stamp the leaf on Mint Macaron using the Just Jade Stampin' Pad. Die cut both images, as well as two small and two medium flower images.
- Close the card with the top flap of the Mint Macaron Cardstock over the Z-Fold. Place a Stampin' Dimensionals on the Daffodil Delight designer paper section of the z-fold cardbase directly under and to the right side of the Mint Macaron card. Be very careful not to glue your card closed. Adhere the flower and leaf images to the Stampin' Dimensionals. You should be able to slide the Mint Macaron Cardstock with the pineapple under the flower and leaf.
- Adhere the medium decorative flower with a Mini Stampin' Dimensional and adhere the small decorative flower using liquid glue.
- Place the gems on the floral images as shown.
- Now, when closing the card, you can tuck the Mint Macaron Cardstock underneath the large floral & leaf piece, and stand it upright to make it an easel.
