3. After scoring the flip flop mechanism, use your Bone Folder to fold it on both sides of the score lines and then break down the fibers by rolling it between your thumb and your Bone Folder. The more you burnish, the better.
4. Adhere the cardstock punched out with the Delightful Tag Topper Punch to the Blushing Bride Cardstock. Adhere the rest of the Just Jade designer series paper pieces with the smallest on the front, middle size on the inside left and largest piece on the inside right of the Blushing Bride mini card.
5. Lay the Just Jade pocket flat. Fold the Blushing Bride Cardstock piece. Place a piece of Tear & Tape on the bottom left side of the burnished flip flap mechanism. Adhere to the edge of the folded cardstock. Fold the mechanism over. Place a piece of Tear & Tape on the opposite edge of the mechanism, but do NOT remove the release paper yet. Fold the pocket closed and gently pull the pull the Blushing Bride mini card back until the mechanism is at the end of the pocket, but isn't visible. Remove the release paper and stick to the inside of the pocket. See the photos below.

6. With the pocket still closed, remove the release paper on the Tear & Tape strips. Wrap the the glue tabs around the back of the pocket and burnish to secure. Glue the pocket to the card base using Multipurpose Liquid Glue. Thread the hole in the pull tag and make a bow using the Flirty Flamingo & Gold Metallic Ribbon.
7. Stamp and punch out the the strawberries using the Melon Mambo Stampin' Pad, strawberry tops and leaves using the Just Jade Stampin' Pad and the flowers using the Daffodil Delight Stampin' Pad. Also stamp the sentiment, "Thank You" using the Just Jade Stampin' Pad, fussy cut. Stamp the sentiment, "That was so Sweet of You" on the stitched rectangle using the same ink.
8. Adhere the sentiments, strawberries, strawberry tops, leaves and flowers as shown. On the front of the card, use Stampin' Dimensionals for one of the strawberries and the flower.
