- use a third pattern of your choice to die cut the 2-5/8" circle from the Layering Circles Dies

Denim Ribbon: about 12"

Opal Rounds

Instructions:

1. Prepare the cardbase and emboss the front using the Macrame 3D Embossing Folder.
2. Adhere your chosen designer series paper to the cardbase using Multipurpose Liquid Glue.
3. Adhere the circle of designer series paper to the swoopy square using the same adhesive. Adhere the swoopy square to the cardbase using Multipurpose Liquid Glue avoiding the bottom left corner so you can tuck your ribbon under it.
4. Fold the ribbon to resemble a bow and wrap Tear & Tape Adhesive around the middle to hold it together. Using the Tear and Tape Adhesive, adhere the ribbon to the cardbase tucking it under the swoopy square slightly.
5. Stamp the sentiment using Night of Navy Ink and use the Tailored Tag Punch to create chicken lips on both ends of the sentiment banner. Adhere the sentiment to the cardbase using Multipurpose Liquid Glue.
6. Stamp the outline of your turtle on Soft Sea Foam Cardstock using Old Olive Ink. Use Old Olive Ink stamped off once for the inside of the turtle's shell then punch out using the Turtle Punch. Adhere the turtle to the card using Stampin' Dimensionals.
7. Die cut lots of flowers and leaves from the cardstock scraps using the Pierced Blooms Die Set. Adhere the die cut flowers and leaves to the card using a combination of Multipurpose Liquid Glue and Stampin' Dimensionals.
8. Embellish the card with Opal Rounds.
