Instructions:

1. Put lines of Tear & Tape Adhesive along the top and bottom edges on the front and back of all but one the candy cane wrappers. The last candy cane wrapper only needs adhesive along the top, front and back edge.
2. Sandwich the top of the first candy cane between two labels, adhere using the Tear & Tape Adhesive on the wrappers. Die cut the top of the first labels using the tag hanger die from the Seasonal Labels Die Set. When you die cut the hanger you will need to square up all the plates on your Stampin' Cut & Emboss Machine and lay the label on the back edge of the plates with the candy cane hanging out the back of the machine. Crank to cut and then remove the candy cane from out of the back of the machine. String the remaining candy canes together.
3. Adhere the three Evening Evergreen swoopy squares to the Real Red labels using Multipurpose Liquid Glue. Adhere the three circles of designer series paper to the swoopy square using the same adhesive.
4. To stamp the three sets of leaves use Pear Pizzazz Ink stamped off for the whole leaves and Garden Green Ink stamped off for the shadows. Stamp the three small pinecones using Crumb Cake Ink for the whole pinecone and Early Espresso Ink for the shadows.
5. Stamp the five pine branches using Garden Green Ink and the three holly berry branches using Soft Suede Ink for the branch and Real Red Ink for the berries. Die cut all the images using the Seasonal Labels Die Set.
6. Adhere the images to the designer series paper circles using a combination of Multipurpose Liquid Glue and Mini Stampin' Dimensionals.
7. Use the Stamparatus to stamp the sentiment in Garden Green Ink, then re-ink the stamp and stamp again to get a solid image. Fussy cut the sentiments and adhere them on top of the greenery using Mini Stampin' Dimensionals.
8. Tie a bow through the top label using the Real Red Sheer Ribbon then embellish with Garden Gems.
