Instructions:

1. Prepare the Basic Black card base by scoring and burnishing with a Bone Folder.
2. Adhere the 4 x 5-1/4" piece of Basic White Cardstock to the inside of the card base, centered. Then adhere the first 1" piece of designer series paper to the right side of the panel. Stamp the inside sentiment from the Peaceful Moments Stamp Set using Early Espresso ink.

3. Glue the 4 x 5-1/4" pieces of designer series paper together back to back, then lay them on top of the inside layer making sure that the inside layer is completely covered. Run adhesive on the edge of the designer series paper card front then close the card to attach the designer series paper card front to the card base. Adhere the second 1" piece of designer paper, centered, to the front of the card base on the far left panel.
4. On the Basic White Cardstock scraps, stamp two leaves using Mossy Meadow ink. Stamp the shadows of the pinecones using Early Espresso ink. Stamp the background of two pinecones using Soft Suede ink. Die cut the leaves and pinecones.
5. Punch out a sprig using the Bough Punch. Adhere one of the leaves, one pinecone, and the sprig to the front of the card using a combination of liquid glue and dimensionals. Adhere the other leaf and pinecone to the inside of the card.
6. Stamp the "Thank You" sentiment from the Peaceful Moments Stamp Set on the die cut banner using Early Espresso ink. Wrap the Linen Thread around the banner twice and make a big loopy bow. Adhere the banner to the card front as shown with the liquid glue.
7. Die cut two small butterflies using the Brilliant Wings Dies and adhere to the card front using liquid glue. Embellish each butterfly with Champagne Rhinestone Basic Jewels.
