Instructions:

1. Cut THREE 2 x 2" pieces from THREE different paper patterns if this is the only card you are making. If you are making the kit, these pieces will have already been cut when doing the previous two sets of cards.
2. Prepare the cardbase by embossing the front cover. Adhere the remaining designer series paper pieces from the previous two card designs using Multipurpose Liquid Glue.
3. Stamp the following images using the listed inks:
 - house - Crumb Cake
 - roof, door and windows detail and the scroll design on the house - Soft Suede
 - windows - So Saffron
 - door and two gumdrops - Real Red
 - one gumdrop - Sweet Sorbet
 - two trees and a gumdrop - Garden Green
 - cloud - Pool Party
4. Die cut all the stamped images. Also die cut the the bricks using the remaining piece of Soft Suede cardstock used to die cut the fence on the Real Red cards.
5. Use the snow landscape die from the Gingerbread House Dies to cut a landscape into the stitched rectangle. Adhere to the cardbase as shown using liquid glue.
6. Stamp the sentiment on the die cut cloud using Real Red ink. Adhere the cloud to the cardbase using liquid glue as shown.
7. Adhere the roof to the house using a thin strip of the outer edge of Stampin' Dimensionals or Mini Stampin' Dimensionals. Then adhere the completed house to the landscape as shown using liquid glue. Adhere the bricks in front of the house as shown either using the Adhesive Sheet already attached to the bricks or use liquid glue.
8. Adhere the trees and the gumdrops as shown using Mini Stampin' Dimensionals.
9. Make a bow and adhere to the landscape as shown using a Mini Glue Dot.
10. Use your Take Your Pick Tool to place two Adhesive-Backed Seasonal Sequins as shown.
