#### Instructions:

1. Prepare cardbase. Stamp the flowers on the sides of the cardbase with the stems in the middle using Black Momento Pad. By stamping it this way, your stems can overlap because they won't show on the finished card. Using the Whisper White Watercolor Pencil, color in the flowers. Once the flowers are colored in with the Watercolor Pencil, go over it with the Wink of Stella Glitter Pen.
2. Adhere the DSP as shown using SNAIL Adhesive.
3. Die cut the stitched circle using Whisper White Cardstock. Die cut the scalloped circle using Basic Black Cardstock. On the stitched circle, stamp the sentiment, "It's a Beautiful Day" using the Black Momento Pad, leaving space to also stamp the flowers in full using the same inkpap.
4. Using the Aqua Painter, color in the flowers using the inside of the case of the Rich Razzleberry Stampin' Pad. Adhere the stitched circle to the scalloped circle using SNAIL Adhesive.
5. Using the Leaf Punch, punch out 3 leaves using Vellum. Adhere to the back of the scalloped circle using Multipurpose Liquid Glue. Adhere to the DSP using SNAIL Adhesive. Color the vellum leaves using your Wink of Stella Glitter Pen.
6. Die cut the bee from the Detailed Dragonfly Thinlits. Place a Mini Stampin' Dimensional to the center of the bee and with the Black Metallic Thread forming loops using the dimensional to hold it down. You may want to add a drop of Multipurpose Liquid Glue to the dimensional on top of the thread, and adhere to the stitched circle.
