### Instructions:

1. Assemble the 2 x 2 x 2" treat box and wrap Tear & Tape Adhesive around the bottom of the box. Peel the release paper from the adhesive and adhere the 1/2" designer series paper strip to the box. HINT: start at the front right side and end there too. Your seam will then be covered with the koala giving a flawless finish.
2. Wrap the ribbon around the box and tie a bow off left of center. Secure the ribbon with a Mini Glue Dot under the bow if needed.
3. Assemble the box booster using Bermuda Bay. Score and trim the the Bermuda Bay as pictured above, fold it up like a pizza box. No adhesive is needed. Once your pizza box is closed, drop it in the bottom of the 2 x 2 x 2" treat box. Set aside.
4. On the white scrap, stamp the koala using Basic Gray ink, stamp his face with Memento Tuxed Black, and stamp the party hat using Terracotta Tile ink. Die cut the pieces and glue them to the box using Multipurpose Liquid Glue. Be sure to cover the seam in your designer series paper.
5. Embellish the party hat with a mini pompom, adhere with a Mini Glue Dot.
6. Cut one of the 1-3/4" Grapefruit Gove circles with a 1/2" circle punch making a little access hole for the switch on the bottom of the tea light. Glue the scallop circle to the bottom of the tealight using Multipurpose Liquid Glue.
7. Using the same adhesive, glue the 1-3/8" stitched circle to the other Grapefruit Grove scallop circle. Using a 1/4" punch, punch a hole in the center of the circles. Use the same punch to 'nip' the hole a little bigger all around. You want to incread the size of the hole in the center to fit snug over the flame of the candle. Adhere to the top of the candle with Multipurpose

Liquid Glue.

8. Stamp the Terracotta Tile scrap with the pompom image using Terracotta Tile ink three times and die cut the pompoms. We are going to use the pompom hat topper to make the tiny flowers to decorate the cake! Press the die cut poms into a Stampin' Pierce mat using a stylus from the Simply Scored or the ball Stylus end of the Take Your Pick Tool. Glue the little flowers to the top of the cake leaving room for the leaves.
9. Punch some little hearts and cut them apart cleve to point and round the cut edge to make two leaf shapes from each heart. Roll the leaves to give them some shape and adhere them to the cake top with Multipurpose Liquid Glue.
10. Embellish the flowers with a pearl. Tuck the cake into the box.
