Instructions:

1. Score and fold the Bermuda Bay Cardstock and adhere the designer series paper centered on the first and third sections. See picture below. HINT: Be careful with directional paper.

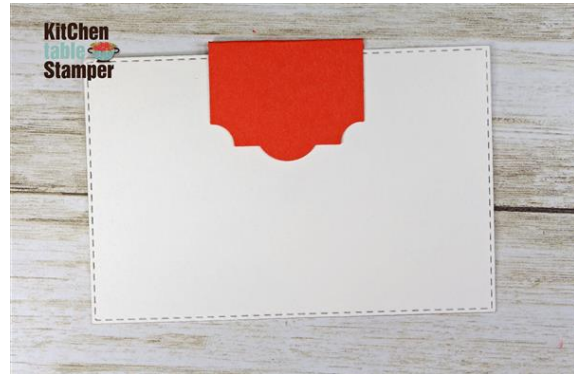

1. Put Tear & Tape Adhesive on the far right and left edges of the bottom panel up to the first score line. Pull the release paper and fold up at the first score line to make a pocket. See picture above.
2. Wrap the belly band around the gift card envelope and secure with Tear & Tape, be sure that it's loose enough to slide. Cut the Bermuda Bay Everyday Label in half. Using Multipurpose Liquid Glue, adhere to the belly band with a gap in the center "stretching" the label. Using the same adhesive, adhere the Terracotta Tile Starburst over the cut Bermuda Bay Label covering where the Everyday Label was cut.
3. Adhere the 1-7/8" Whisper White stitched circle to the Terracotta Tile Starburst using Stampin' Dimensionals.
4. Using Memento Tuxedo Black, stamp, color and die cut the toucan. Suggested Stampin' Blends are Dark Daffodil Delight, Light Pumpkin Pie and Dark Calypso Coral. Stamp the party hat image using Bermuda Bay Stampin' Pad and die cut. Adhere them to the adhere to the 1-7/8" stitched circle with Multipurpose Liquid Glue. You will also need little bits of Stampin' Dimensionals to support the top of the hat where it extends past the edge of the circle.
5. Slide a length of Daffodil Delight Ruched Ribbon under the Daffodil Delight belly band, wrap around to the front left. Tie a big loopy bow.
6. Stamp the sentiment with Memento Tuxedo Black Ink on the Grapefruit Grove scrap and punch with the Classic Label Punch. Adhere the label to the 1-7/8" stitched circle with Stampin' Dimensionals.
7. Embellish with an Assorted Pompom of your choice using a Mini Glue Dot.

1. **INSIDE:** Fold a Terracotta Tile Everyday Label in half and add Multipurpose Liquid Glue to the entire back half, but only half of the front half. Lay the Whisper White stitched rectangle on top of the glue inside the folded label, but not all the way up to the fold. We want the label to make a pull tab that extends past the edge of the rectangle. Fold the front half of the label over and secure. Not gluing the front of the label all the way to the end makes a space you can slide the gift card under. It will be secure and there should be no need for adhesive on the actual gift card.
