Instructions:

1. Prepare bottle hanger base by embossing the short section with the Simple Stripes Textured Impressions Embossing Folder. Rub the Whisper White Stampin' Pad over the embossed lines to give it a rustic appearance. Using the Envelope Punch, fold your hanger base at the score line and punch it at 1/4", flip it, and punch it at 3/4". Tie with the Lemon Lime Twist Ribbon and make a bow, leaving a pocket for the Crush drink mix.
2. On the Whisper White cardstock, stamp the small soda bottle using the Melon Mambo Stampin' Pad, sponging the ink on towards the top of the bottle. Die cut the soda bottle and the tag from the Bouquet Bunch Framelits as well as the bottle label using Basic Black cardstock and the straw using Lemon Lime Twist cardstock. Adhere the bottle label to the center of the bottle and the straw to the back of the bottle using Multipurpose Liquid Glue. On the tag, stamp the sentiment "For You" using the Bermuda Bay Stampin' Pad.
3. On the excess Whisper White cardstock, stamp the overlapping circles stamp using the Basic Black Stampin' Pad. Punch out using the 3/4" Circle Punch. Adhere to the bottle label using Multipurpose Liquid Glue. Also on the excess Whisper White cardstock, stamp the bottom of the strawberry using the Melon Mambo Stampin' Pad and the leaves of the berry using the Lemon Lime Twist Stampin' Pad. Punch out using the Strawberry Punch from the Itty Bitty Fruit Punch set and adhere to the center of the circle using a Mini Stampin' Dimensional.
4. Tie the tag to the bottle and make a bow. Adhere the soda bottle on top of the Lemon Lime Twist ribbon using Stampin' Dimensionals.
5. Using scratch paper for perfect placement, cut a 1 1/4" circle.. Using Multipurpose Liquid Glue, stick the scratch paper to the top of the bottle hanger base leaving 1/4" space at the top. Then punch out the circle on the Basic Gray cardstock. Put your black and white straw and Crush drink mix packet into the pocket and hang your bottle hanger on a water bottle.
