Instructions:

1. Prepare cardbase by embossing the front cover with the Simple Stripes Textured Impressions Embossing Folder. Rub the Whisper White Stampin' Pad over the embossed lines to give it a rustic appearance. Adhere the Melon Mambo strip and the Designer Series Paper strip onto the lower left section of the card on an angle using SNAIL Adhesive. Cut the edge off the folded side using Paper Snips.
2. Die cut the 2 1/2" Scalloped Square with the 2 1/8" Solid Square inside of it to make a scalloped frame using Basic Black cardstock. Adhere to the cardbase on an angle overlapping the Melon Mambo cardstock strip using Multipurpose Liquid Glue.
3. On the Whisper White cardstock, stamp the large soda bottle using the Melon Mambo Stampin' Pad, sponging the ink on towards the top of the bottle, and die cut. Die cut the two styles of bottle caps with the Silver Foil and the Basic Black strip for the bottle label. Adhere the black bottle label to the center of the card and the small size bottle cap to the top of the bottle using Multipurpose Liquid Glue. Set aside.
4. On Whisper White Cardstock stamp the "Yay" sentiment using Bermuda Bay Stampin' Pad and the "Star" using the Lemon Lime Twist Stampin' Pad. Punch out both using the 3/4" Circle Punch. Adhere the star to the larger bottle cap using Multipurpose Liquid Glue. Adhere the "Yay" sentiment to the bottle label using the same adhesive.
5. Using Basic Black Stampin' Pad, stamp the sentiment "You're Cool" on the Whisper White cardstock. Punch out using a 2" Circle Punch. Using the Bermuda Bay cardstock, punch out a starburst using the Starburst Punch. Adhere the sentiment to the starburst using Multipurpose Liquid Glue. Adhere to the cardbase using the same adhesive overlapping the right side of the frame.
6. Adhere the bottle to the sentiment starburst using Multipurpose Liquid Glue. Adhere the Silver Foil with the star to the bottom of the sentiment using a Stampin' Dimensional. Using the Lemon Lime Twist Ribbon, tie a bow and adhere to the bottom of the bottle using a Glue dot.
