#### Instructions:

1. Using the Envelope Punch Board, punch out the first slot at the 1 3/8" mark and score on the score line. Then, slide the paper over and punch again at the 4" mark and score again. Turn paper and line up score line with the score guide, punch and score. Slide the paper over, line up the next score line with the score guide, punch and score. Turn your paper again and repeat until all sides have been punched and scored.
2. Turn your Envelope Punch Board around and use the corner rounder on all four corners.
3. Place the paper on the table in front of you with the wide corners up and down. Cut the score lines on either side of the wide corners. Stop when you meet the intersecting score.
4. Hold the two wide corner sections together and using the 1" Circle Punch, punch a circle handle for your tote.
5. Adhere the box together using Tear and Tape, keeping the flaps on the outside of the box. Adhere the 2 small corner sections down flat on the sides of the box also using Tear and Tape. Place something special inside the box and tie together using 1/8" Black Cord Ribbon, making a bow.
6. Die cut the scalloped circle using the Basic Black Cardstock and the Stitched Circle using the Whisper White Cardstock. Adhere together using SNAIL Adhesive. Using Old Olive Cardstock, punch out a leaf and adhere to the back of the Basic Black scalloped circle using Multipurpose Liquid Glue.
7. Using Grapefruit Grove Cardstock, punch out the fox's body and tail. Using the Whisper White cardstock, punch out the fox's face and end of it's tail.
8. Using Grapefruit Grove Stampin' Pad, stamp the fox's legs to the bottom of the fox's body. Using the Black Momento Pad, stamp the eyes and nose to the fox's face.
9. Adhere the fox's face to the head using Multipurpose Liquid Glue.
10. Adhere the tail to the body of the fox using Multipurpose Liquid Glue.
