Instructions:

1. Prepare treat box base by scoring, folding and cutting as shown. Use the photograph above and the video provided for more guidance. Using Tear & Tape Adhesive on the long tabs and tiny tabs, secure the box. Use a corner rounder to round the corners at the top of the box.
2. Adhere the designer series paper to the treat box base as shown using SNAIL Adhesive.
3. Place your treat inside the Copper Dotted Treat Bag and fold over the top of the bag. Place inside the treat box, this is easier if you pinch the bottom corners of the bag and fold them into the center making a lightly gusseted bag. Wrap the Flax Ribbon around the box as shown and make a large bow.
4. Die cut the scalloped circle using Early Espresso Cardstock. Die cut the stitched circle using Whisper White Cardstock. Adhere the two pieces together using SNAIL Adhesive or Multipurpose Liquid Glue. Adhere the scallop circle to the front of the treat box using Stampin' Dimensionals. Place the dimensionals on the treat box to secure the ribbon and to make sure that the adhesive doesn't extend past the top edge of the treat box.
5. On your 2-1/4 x 2-1/4" scrap of Whisper White Cardstock, stamp the mug with the dots as shown using the Early Espresso Stampin' Pad. Die cut. Adhere the mug as shown using Stampin' Dimensionals.

6. Using Petal Pink Cardstock, die cut a label using the Stitched Nested Labels Dies. Stamp the sentiment, "A Little Something" using the Early Espresso Stampin' Pad. Use a 1/16" hole punch to punch a hole on the left side of the label. Place a Rose Colored or Copper Colored Metallic Brad in the hole. Adhere the label to the treat box base using Stampin' Dimensionals.
7. Die cut the grouping of hearts from the Stitched Be Mine Dies using Petal Pink Cardstock. Adhere the largest heart from the grouping of hearts to the tag using a Mini Stampin' Dimensional as shown.
