## Instructions:

1. Prepare treat box by scoring as directed above. Work the score lines with a Bone Folder and cut out the little one inch squares at the tab end of the box. Punch out a hole in the treat box base as shown using a 1/2" Circle Punch. Use the video and photo above as a guide for folding, trimming, and closing. This box requires no adhesive. This box can be left flat for storage, make them ahead and fold around the treat when you are ready to give. To close the box, place treat inside and wrap the treat by folding up the sides, wrap the top over and tuck the tab end into the slots made by the 1" vertical scores underneath the inside of the box top.
2. Adhere the designer series paper to the box top using SNAIL Adhesive.
3. Die cut the 1-11/16 x 3-11/16" stitched rectangle using Whisper White Cardstock and the Stitched Rectangles Dies. Stamp the sentiment towards the left of the stitched rectangle using the Early Espresso Stampin' Pad.
4. Die cut the 2-1/4 x 2-1/4" scalloped square using the Petal Pink Cardstock and Layering Squares Dies. Cut 3/4" off the top and bottom of the scalloped square and adhere the two pieces to the sentiment strip using SNAIL Adhesive or Multipurpose Liquid Glue as shown. Adhere the combined piece to the box top using the same adhesive.
5. On your 2-1/4 x 2-1/4" scrap of Whisper White Cardstock, stamp the mug with the stripes using the Mossy Meadow Stampin' Pad and die cut.
