Instructions:

1. Emboss card front with the Climbing Vine TIEF or Layered Leaves DTIEF. Spritzing with a little water might help if you are experiencing cracking.
2. Adhere designer series papers to the card front as shown using Snail Adhesive. I love to use the Tailored Tag Punch to make perfect dovetail ends.
3. Stamp and color the bear image on the Whisper White Cardstock stitched rectangle and on the envelope, if desired.
4. Cut the top half of the Cute Crew Tag Punch from the Call Me Clover Cardstock twice. Adhere one half tag to the top of the bear rectangle and one to the bottom of the bear rectangle with Snail Adhesive. Punch a 1/8" circle at the top of the tag. Thread with twine, tie a pretty bow and adhere to card with Stampin' Dimensionals.
