Instructions:

1. Emboss card front with the Seaside TIEF. Spritzing with a little water might help if you are experiencing cracking.
2. Adhere Call Me Clover and Blueberry Bushel Designer Series Papers to the card front as shown using Snail Adhesive.
3. Cut Grapefruit Grove circle in half. Adhere the half circle to the bottom edge of the Blueberry Bushel Designer Series Paper with Sprig Punch cut out under top edge, as shown, using Multipurpose Liquid Glue.
4. Stamp and color the fish image on the Whisper White Cardstock scrap and on the envelope, if desired. Punch the image out of the scrap with the Cute Crew Punch, punch a 1/8" circle at the top of the tag. Thread with twine, tie a pretty bow and adhere to card with Stampin' Dimensionals.
