Instructions:

1. Emboss card front with the Dot to Dot TIEF. Spritzing with a little water might help if you are experiencing cracking.
2. Cut the Blueberry Bushel Starburst and designer series paper circle in half and adhere together with Snail Adhesive. Round the two corners of the Call Me Clover Designer Series Paper. Adhere the starburst element to the back of the Call Me Clover Designer Series Paper and then to the card front as shown using the same adhesive.
3. Stamp and color the turtle image on the Whisper White Cardstock circle and on the envelope, if desired.
4. Punch the Cute Crew tag from Grapefruit Grove and cut it in half. Adhere to the tag halves turtle circle with Stampin' Dimensionals leaving about 3/4" gap in the back of the circle effectively lengthening the tag to virtually any length! Punch a 1/8" circle at the top of the tag, thread with twine and tie a pretty bow.
5. Adhere tag to the card front using Snail Adhesive on the Grapefruit Grove tag halves and a Stampin' Dimensional in the gap.
