Linen Thread: 10"

Instructions:

1. Prepare cardbase. Emboss the cardbase with the Tin Tile Embossing Folder. Using the Soft Sea Foam Stampin' Pad, dab your Stampin' Sponge into the stamp pad and rub across the embossed cardbase.
2. Die cut the 2-5/8 x 2-5/8" stitched square using Very Vanilla Cardstock.
3. Emboss the 2-7/8 x 4-1/2" strip of Very Vanilla Cardstock using the Corrugated Embossing Folder. **Hint ***** It may be helpful to spritz the paper with water before placing in the embossing folder. Also, place in the Big Shot with the paper going in horizontally. See video for further explanation.
4. Die cut the tag from the Wood Crate Framelits Dies. Using the Pretty Label Punch, punch out a label using Powder Pink Cardstock. Cut the label in 1/2 horizontally. In your hand, crumple the label and then flatten it. Ink the label with some Powder Pink Ink and a sponge.
5. Using SNAIL Adhesive, adhere the corrugated Very Vanilla Cardstock to the embossed cardbase. ***** Tip:** It will adhere better when the ink on the cardbase dries. Adhere the Tranquil Textures DSP to the cardbase as shown.
6. Using the Powder Pink Stampin' Pad, stamp the floral pattern in the background of the Very Vanilla stitched square. Use the Crumb Cake Stampin' Pad to stamp the prickly spines pattern in the background of the stitched square. Use the Mint Macaron Stampin' Pad to stamp the cactus as shown and the Fresh Fig Stampin' Pad to stamp the flowers on top of the cactus. Stamp the sentiment, "Enjoy Today," from the Eastern Beauty Stamp Set on the tag using the same ink pad.
7. Using Tear & Tape Adhesive, adhere the Fresh Fig Ruffled Ribbon to the bottom of the stitched square as shown. Adhere the punched label half to the bottom of the stitched square by placing the SNAIL Adhesive on the back bottom of the stitched square. Adhere the stitched square with the ribbon and the label to the cardbase. Support the top of the square with Stampin' Dimensionals.
8. Thread the holes of the In Color Flower button with the Linen Thread and make a bow. Adhere the threaded button to the stamped sentiment tag, and then to the cardbase as shown using Mini Glue Dots.
