Instructions:

1. Prepare box according to the scoring and cutting directions above. Burnish the score lines with a bone folder, cut away the excess panels, and liberate the box bottom flaps. Using the reverse punch on the envelope punch board, round the corners on the top flap.
2. Using Basic Gray Stampin' Pad, stamp the sentiment "Happy Father's Day" by stamping normally, then stamping off once or twice to make the background.
3. Add Tear & Tape Adhesive to the side 1/2" glue tab and the back side of the front bottom flap, close up the box.
4. Using the Starburst Punch, punch out a starburst on Basic Black Cardstock. Emboss the punched out starburst using the Hexagons Embossing Folder.
5. Punch out the dovetails on the Classic Garage Designer Series Paper using the Tailored Tag Punch. Adhere to the starburst using SNAIL Adhesive. Attach the ribbon to the using a tiny stapler or a strip of Tear & Tape. Fill the candy box, close the top flap and adhere the Starburst tag with Stampin' Dimensionals to make a closer or stop for the flap. Do not seal the box closed the the Stampin' Dimensionals, you want to be able to open and close the box by lifting the top flap.
6. On Smoky Slate Cardstock, stamp the sentiment "Happy Father's Day" using Tuxedo Black Memento Pad. Die cut it out. Adhere to the the cardbase as shown using Stampin' Dimensionals.
