1/2" Scalloped Linen Ribbon - Pretty Peacock: 10" cutting 1 side of the ribbon

Instructions:

1. Prepare lollipop holder by cutting the DSP and scoring as listed above using your Simply Scored and fold on the scorelines using your Bone Folder. *****Hint***** I used the same designer series paper for both dinosaur projects. I recommend cutting the lollipop holder strip out first to be certain that you have enough paper for both projects, or you can choose to use different designer series paper for each project.
2. On the front half of the lollipop holder, punch a hole in the upper center using your 2" Circle Punch.
3. Using Lovely Lipstick Cardstock, punch out a label using your Story Label Punch and emboss using the Hammered Metal Embossing Folder. Cut in half and adhere to the treat holder using SNAIL Adhesive.
4. Using Old Olive Cardstock die cut the scalloped circle from Layering Circles Dies. Using Whisper White Cardstock stamp the sentiment using your Lovely Lipstick Stampin' Pad. Then punch out the sentiment using the 1-3/4" circle punch. Adhere the punched sentiment to the scalloped circle using SNAIL Adhesive. Adhere to the embossed label using Stampin' Dimensionals.
5. On the 2 x 3-1/4" Whisper White strip, stamp the winged dinosaur using your Lovely Lipstick Stampin' Pad. Die cut. Adhere to the treat holder using Stampin' Dimensionals.
6. With your Scalloped Linen Ribbon, separate the two sides of the Pretty Peacock scallop section from the linen in the center. With one section of the scalloped ribbon, make a bow. Adhere to the lollipop holder as shown using a Mini Glue Dot.
