Instructions:

1. Using a Stampin' Up Clear Medium Envelope, place treats inside as shown and remove the release paper, wrap the bag around the treats and adhere the bag closed.
2. Using Whisper White Cardstock, die cut the 1-3/8" stitched circle using Stitched Shapes Dies. Stamp the sentiment on the stitched circle using the Real Red Stampin' Pad.
3. Using your Scalloped Heart Punch, punch out a scalloped heart using Whisper White Cardstock. Using the designer series paper of your choice, punch out a smooth heart using the Heart Punch. Adhere the smooth heart to the scalloped heart using Mini Stampin' Dimensionals. Adhere the sentiment circle to the solid heart using Mini Stampin' Dimensionals. Set aside.
4. Using Flirty Flamingo Cardstock, die cut the label using the Stitched So Sweetly Dies. Score as directed above. If you are not sure how to measure using a center point, see video for further instructions.
5. Use your Paper Trimmer to cut a 2-1/4 x 7-3/4" strip of the designer series paper of your choice. I used the foil Real Red with Flirty Flamingo and Whisper White Dots. Carefully score the designer series paper and use your Bone Folder to burnish the score lines. Place Tear & Tape Adhesive on the bottom of the designer series paper and wrap around the treat pouch, and adhere it closed at the flap. Adhere the Flirty Flamingo Label to the top of the treat bag using SNAIL Adhesive.
6. Wrap the Real Red Satin Ribbon around the treat as shown, and make a bow. Trim the edges of the ribbon on an angle when you are happy with your bow.
7. Remove the Clear Envelope treat pouch from the belly band wrapper. Put a strip of Tear & Tape Adhesive on the front center and back center of the bag. Remove the liner and slide the treats back into the belly band. Adhere the bag to the belly band by burnishing the band into the adhesive on the treat pouch.
