Instructions:

1. Prepare the crate by running the Wood Crate Framelits die twice through the Big Shot using Basic Black cardstock and adhering it together using Tear and Tape. Prepare the Gusseted Cellophane Bag with 5 strawberry candies on top of some Whisper White Ready Shred. Fold the top of the bag over 2 - 3 times and staple. Set inside crate and set aside.
2. With the long Whisper White cardstock strip, score as stated above. Then holding the two ends together, use the Watermelon Punch to punch a half circle through and clip the corners of both sides of the Whisper White Cardstock.
3. Using the Real Red with white sprinkles Designer Series Paper, die cut a banner from Mini Treat Bag Thinlits. Cut it in half with the Paper Snips. Adhere to one half of the punched Whisper White cardstock strip using SNAIL Adhesive leaving about 1" space between the two halves. Adhere the Black and White DSP to the top of the bottom half of the banner using SNAIL Adhesive.
4. Using the Starburst punch, punch out a starburst using Silver Glimmer Paper. Using the 2" Circle Punch, punch out a circle using Whisper White cardstock. Adhere the two pieces together using Fast Fuse Adhesive.
5. Using the Mini Treat Bag Thinlits, die cut the word "Enjoy." Adhere to the combined circle & starburst using Multi Purpose Liquid Glue.
6. On the 1 x 3" Whisper White cardstock stamp the bottom of three strawberries using the Real Red Stampin' Pad. Stamp the leaves using the Lemon Lime Twist Stampin' Pad. Punch out all three strawberries using the Strawberry Punch. Adhere two of the strawberries to the sentiment circle using Mini Stampin' Dimensionals. Adhere the sentiment starburst to the Whisper White cardstock using Stampin' Dimensionals. Add the third strawberry just below the starburst also using a Mini Stampin' Dimensional.
7. Using Tear and Tape, or Fast Fuse adhesive, adhere the section between the score lines of the Whisper White cardstock to the crate. Use the Basic Black Shimmer Ribbon to tie the two sides of the Whisper White cardstock together and make a bow.
