3/8" Denim Ribbon: 10"

Linen Thread: 12"

Instructions:

1. Prepare treat box by scoring, cutting and folding as shown in the diagram. Place Tear and Tape on designated areas as shown in the photo above, but don't pull off the release paper. Corner round two of the corners on the Old Olive designer series paper. Adhere designer series paper as shown using SNAIL Adhesive. At the top of the box, use the Classic Label Punch to punch a handle at the top of the treat box, round the corners. HINT: Check out the video for a great tip for perfect handle placement.
2. Take off the release paper carefully to assemble and close the box. Using the Denim Ribbon, make a bow on the handle of the tote box.
3. Using the Soft Suede Stampin' Pad, stamp the apple image on Real Red Cardstock and on Soft Suede Cardstock. Using the Old Olive Stampin' Pad, stamp three leaf images on Old Olive Cardstock. Using the Soft Suede Stampin' Pad, stamp the stem image on Soft Suede Cardstock. Punch out the two apples, the stem and the leaves using the Apple Builder Punch. With the Soft Suede apple, punch out again using the Pretty Label Punch to get the caramel appearance. Adhere the pieces of the apple together using Multipurpose Liquid Glue and a Stampin' Dimensional for the leaf. Adhere to the apple to the treat box using Stampin' Dimensionals.
4. On Very Vanilla Cardstock, punch out the 1-1/4" circle using the 1-1/4" Circle Punch. Using Cherry Cobbler Cardstock, punch out the scalloped circle using the 1-3/8" Scallop punch. Using the Soft Suede Stampin' Pad, stamp the sentiment on the Very Vanilla circle. Adhere the pieces together using SNAIL Adhesive or Multipurpose Liquid Glue. Punch a 1/8" hole in the top to make a tag. Near the 1/8" circle adhere the stamped and punched leaves using Multipurpose Liquid Glue on one and a Stampin' Dimensional on the other.
5. Loop the Linen Thread through the hole, then thread over the Denim bow through the handle secure with a thread knot.
