Instructions:

1. Cut and score your Highland Heather Cardstock as noted above and then trim the excess and create the tabs as pictured below to create the box base.

2. Use the Highland Heather box base to copy the angle on the designer series paper. I lined the paper up on the box and then traced the line of the angle with a stylus. Then bring the designer series paper to the paper trimmer and cut the side angle on your trimmer. Adhere the designer series paper to the front panel of the box.
3. Apply Tear & Tape Adhesive to the right side 3/8" glue tab on the front side of the box. Apply Tear & Tape Adhesive to the bottom front tab on the back side of the box. Assemble the box. Fill with a treat, I used a Sour Mini Carnival Pop. SOURCE: Dollar Tree
4. Wrap the box with a length of Polka Dot Tulle Ribbon and tie a bow.
5. Stamp "Hello Sunshine" on the stitched scallop rectangle using Memento Tuxedo Black ink. Cut the end of the 3/4" strip of designer series paper with the Tailored Tag Punch and adhere to the back of the stitched scallop rectangle using SNAIL Adhesive. Adhere to the box with Stampin' Dimensionals.
6. Stamp the umbrella, handle, and boots using Memento Tuxedo Black ink on the scrap of Whisper White Cardstock. Then stamp the small flowers over the boots and larger flowers over the umbrella using the same ink. Color with Stampin' Blends Markers. See the video and supply list for suggested colors and coloring tips. Punch the umbrella and handle and fussy cut the
