marisaalvarez.stampinup.net

1. Using the 2-1/4 x 3" piece of Real Red Cardstock, punch out a scalloped heart using the Scalloped Heart Punch. Using the 2-1/4 x 3" piece of designer series paper with the hearts, punch out a smooth heart using the Heart Punch. Adhere to the Real Red Scalloped Heart using Mini Stampin' Dimensionals. Adhere the scalloped heart to a Heart Doily using Mini Stampin' Dimensionals.
2. Using Whisper White Cardstock, die cut the label using the Stitched So Sweetly Dies. Stamp the "Love," sentiment on the stitched label using the Real Red Stampin' Pad. Clean away the comma after the word "Love" using a Blender Pen. Punch a hole on the left side of the label using a 1/8" hole punch.
3. Prepare treat box base by scoring and folding the three strips of Real Red Cardstock as stated above. On the 2 x 8-1/2" strip of Real Red Cardstock hold the two ends together and punch using the Delightful Tag Topper Punch. Place Tear & Tape on the 1-1/2" strips of the Real Red Cardstock on each of the 3/8" glue tabs, but do not remove the release tape yet.
4. Using your Paper Trimmer, cut the designer series paper according to the measurements provided. Adhere the 2 x 2" strip of designer series paper as shown using SNAIL Adhesive. Now you can remove the release paper and adhere the box together.
5. Adhere the hearts to the front of the treat box using Stampin' Dimensionals.
6. Place the treat inside the box. Place the Real Red Satin Ribbon through the hole at the top of the treat box, and then through the hole of the sentiment label. Make a bow, then trim the edges on an angle when you are happy with the bow.
