Whisper White Solid Baker's Twine: 10"

## Instructions:

1. Score and fold the designer series paper as instructed and shown in the photo above being careful to score the lines at the bottom of the designer series paper so that the pattern is right-side up. Cut out the excess as pictured and demonstrated in the video. Fold up and adhere to the Coastal Cabana strip using Tear & Tape to complete the box. Place your nail file inside the designer series paper while folding for support and stability if you desire.
2. Using Real Red Cardstock, punch out the starburst. Using Whisper White Cardstock, die cut the 1-7/8" stitched circle. Adhere the stitched circle to the starburst using Multipurpose Liquid Glue. Adhere to the nail file holder using Tear & Tape Adhesive.
3. Using Shaded Spruce Cardstock, stamp the tree image using the Shaded Spruce Stampin' Pad. Punch out the tree using the Pine Tree Punch. Fold the trees in half and adhere the trees together like a book. Open the dimensional tree and adhere to the stitched circle using Multipurpose Liquid Glue.
4. Use sticky note paper to cover up the sentiment so that only the words, "love & joy" are showing. Ink the stamp, and then remove the sticky note paper before stamping the image. On the 1 x 3" strip of Whisper White Cardstock, stamp the sentiment. Punch out the sentiment using the Classic Label Punch. Put the label back into the punch to make it a smaller label. Punch a 1/8" hole on the left hand side of the punched out label. Put your Whisper White Baker's Twine through the hole and make a bow. Adhere to the bottom of the starburst using Mini Stampin' Dimensionals.
5. Punch out the largest star using the Silver Foil Cardstock and the Twinkle Builder Punch. Adhere to the top of the tree using a Mini Stampin' Dimensional.
