Flirty Flamingo:

- 2-1/4 x 3" for punching heart
- 1/2" circle using the 1/2" Circle Punch

Whisper White: 2-3/4 x 8-1/2", scored at 4-1/4"

Real Red 3/8" Double Stitched Satin Ribbon: 16"

Instructions:

1. With your Whisper White Cardstock folded, place in the Big Shot and die cut the label from Stitched So Sweetly Dies with the fold just below the blade. Do not cut the entire label shape or you will have two labels. You want the fold to run below the top bump. You can see the video for demonstration. Die cut the 2-3/4 x 3-3/4" designer series paper of your choice using the same label. Adhere to the rough side of the Whisper White label using SNAIL Adhesive.
2. On the inside of the label, stamp the sentiment using the Real Red Stampin' Pad.
3. Using a scrap of Flirty Flamingo Cardstock, punch a hole using your 1/2" Circle Punch. Adhere to the top of the label using Multipurpose Liquid Glue. Punch a hole through the center of the designer series paper and the Flirty Flamingo Cardstock using a 1/4" hole punch.
4. Using the 2-1/4 x 3" piece of Flirty Flamingo Cardstock, punch out a scalloped heart using the Scalloped Heart Punch. Using the 2-1/4 x 3" scrap of designer series paper with the hearts, punch out a smooth heart using the Heart Punch. Adhere to the Flirty Flamingo Scalloped Heart using Mini Stampin' Dimensionals. Adhere to the Stitched So Sweetly Label using Mini Stampin' Dimensionals. Use your Take Your Pick Tool to place three Multifaceted Gems on the label using Multipurpose Liquid Glue. Set aside.
5. Prepare basket treat base by scoring and folding as shown using your Real Red Cardstock. Cut out score lines as shown in the picture above using your Paper Snips. Place Tear & Tape as shown in the photo above, but do not remove the release tape yet.

6. Using your Paper Trimmer, cut the designer series paper according to the measurements provided. Adhere the two 3-1/8 x 3-3/8" pieces of designer series paper as shown using SNAIL Adhesive. Now you can remove the release paper, fold, and adhere the box together.
7. With the 1 x 8-1/2" strip of Real Red Cardstock, use your Bone Folder to create a curl. On the outside of each end, place two strips of Tear & Tape. Remove the release tape, and place the ends of the strip just to the left of center on the inside of the box. Adhere the completed label to the basket using Stampin' Dimensionals.
8. Place the Real Red Satin Ribbon through the Flirty Flamingo hole and around the basket handle, then back through the Flirty Flamingo hole again, and tie a bow. Trim the ribbon edges on an angle when you are satisfied with the bow.
9. Place the treat inside the box.
