## Instructions:

1. Cut, score and burnish your box pieces using the template for a guide. Apply Tear & Tape Adhesive to the four small square tabson the Thick Whisper White Cardstock inner box. Fold and assemble the inner box.
2. Score and burnish the designer series paper to wrap around the inner box. Wrap it snug, but make sure the inner box will still slide, then secure with Tear & Tape Adhesive.

3. Pull the inner box out, fill with a treat. I used the cute little bubbles I found on Amazon.
4. Punch the Whisper White Cardstock with the Circle Tab Punch, fold and punch the 1/4" hole in the tab - optional. Adhere the tab to the top of the box on the bottom side using Tear & Tape Adhesive. That will give your recipient a handle to pull the inner box out of the outer wrap without damaging the wrap. Slide the box closed to decorate.

5. Stamp the umbrella, handle, boots and two flower bouquets using Memento Tuxedo Black ink on the scrap of Whisper White Cardstock. Color with Stampin' Blends Markers. See the video and supply list for suggested colors and coloring tips. Punch the umbrella and handle and fussy cut the boots and flowers using Paper Snips and set aside.
6. Clip a Mini Library Clip to the designer series paper label and adhere to the box using Stampin' Dimensionals. Tie a length of Polka Dot Tulle to the clip and secure with a Mini Glue Dot. Tie a pretty bow.
7. Stamp "Showered with Love" on the stitched circle using Memento Tuxedo Black ink. Then adhere the stitched circle to the Highland Heather scalloped circle using SNAIL Adhesive. Adhere the circles to the designer series paper label on the box using Stampin' Dimensionals.
8. Adhere the umbrella and handle to the circle on the front of the box using Multipurpose Liquid Glue and adhere the boots and flowers over the umbrella using Stampin' Dimensionals.
