Bunny Lollipop Treat Box

Best Dressed Designer Series Paper:

- Old Olive with dots: a scrap for punching out a leaf using the Leaf Punch
- Whisper White with flowers design: 2 x 2"

Mint Macaron 1/8" Sheer Linen Ribbon: about 8"

Instructions:

1. Prepare box base using Simply Scored Tool based on the scoring instructions above. Fold on the scorelines using your Bone Folder and cut the tabs as shown above. Using the Stitched Rectangle Dies, die cut a rectangle in the lid of the box as shown. Place Tear & Tape as shown in the diagram above, but do not remove the release paper. Adhere the Whisper White with flowers designer series paper to the box base under the open window, as shown, using SNAIL Adhesive.
2. Remove the release paper surrounding the window, and place the Window Sheet over the rectangle making sure you cover all of the Tear & Tape. Now you can remove the rest of the release paper and assemble the two halves of the box. Place your lollipop treat and some white paper shred inside the box and close the box.
3. Using the Old Olive with dots designer series paper punch out a leaf using the Leaf Punch. Using a scrap of Purple Posy Cardstock, punch out a small bloom using the Small Bloom Punch. Using a scrap of Daffodil Delight Cardstock, punch out a circle using a 1/4" Circle Punch. Adhere the punched out 1/4" circle to the small bloom using Multipurpose Liquid Glue. Place on your Stampin' Pierce Mat, and use the putty end with the lid of the Take Your Pick Tool to press into the floral center for a 3-D effect.
