Instructions:

1. Prepare boxbase - see measurements and photograph above for scoring and cutting lines. Place the Tear & Tape in the appropriate spots according to the picture, but do not remove the release paper. Stamp the lemons on the boxbase using the Daffodil Delight Stampin' Pad. On the Whisper White with Powder Pink Stripes DSP punch out the dovetail using the Tailored Tag Punch or fussy cut with your Paper Snips and adhere to the cardbase using SNAIL Adhesive.
2. Fold the box and the belly band at the score lines using your Bone Folder and remove the release paper of Tear & Tape to adhere the box together. Place something special inside the box and then wrap the belly band around the box.
3. Using Whisper White Cardstock, punch out a 2" circle using your Circle Punch. Using Pool Party Cardstock, punch out a starburst using your Starburst Punch.
4. Using the Tuxedo Black Memento Ink Pad stamp the sentiment, "Wishing You Sunny Days Ahead" on the 2" circle. Adhere to the starburst using Stampin' Dimensionals and then to the belly band as shown using the same adhesive. Using the same ink pad, stamp the flower image on the 1 x 1" scrap of Whisper White Cardstock. Color in the flower using Flirty Flamingo and Granny Apple Green Stampin' Blends. Fussy cut the colored in flower. Adhere the flower to the top of the sentiment circle using Multipurpose Liquid Glue.
