Real Red 3/8" Double Stitched Satin Ribbon: about 16"

Instructions:

1. Prepare cardbase, score and fold using your Bone Folder. Adhere the designer series paper to the cardbase as shown using SNAIL Adhesive.
2. Punch a thumb notch in the bottom inside panel using a 1-1/2" circle punch, then adhere the bottom flap with Tear & Tape as close to the edge as you can get it.
3. Wrap the belly band around the envelope. Adhere using Tear & Tape Adhesive on the back of one end and the front side of the other end, as shown in the video. Wrap the ribbon around the belly band, adhering it the belly band using a Mini Glue Dot and Stampin' Dimensionals. Don't tie a bow just yet.
4. Using Basic Black Cardstock, punch out the starburst using the Starburst Punch. Using the Gold Foil, punch out the label using the Everyday Label Punch. Adhere the starburst to the Gold Foil label using SNAIL Adhesive.
5. Using Whisper White Cardstock, die cut the 1-7/8" stitched Circle. Stamp the sentiment on the circle using the Tuxedo Black Memento Pad. Using the same ink pad, stamp the graduation cap on the scrap of cardstock and color using the light Basic Black and Dark Smoky Slate Stampin' Blends. Fussy cut. Adhere the stamped stitched circle to the starburst using Multipurpose Liquid Glue or SNAIL Adhesive. Adhere the cut out graduation cap directly on top of the graduation cap as shown using a Stampin' Dimensional.
6. Punch a 1/8" hole in the top of the tag you just made and slide it on to the ribbon and adhere to the envelope using the Stampin' Dimensionals that you used to secure the ribbon back in step 3. Now it's time to make a pretty bow. ;)
