3/8" Mini Ruffled Ribbon - Tranquil Tide: 3-1/2"

Nature's Twine - Fresh Fig: 17"

Instructions:

1. Prepare cardbase. With the Crackle Paint Stamp Set, stamp the background image of the cardbase using the Mint Macaron Stampin' Pad.
2. Die cut the largest stitched circle from the Stitched Shapes Framelits Dies using Tranquil Textures DSP - Fresh Fig Design. Using Tranquil Textures DSP - Crumb Cake Design, punch out a sprig with the Sprig Punch. With the Soft Sea Foam Design DSP either punch out the dovetails on each side using the Tailored Tag Punch or fussy cut the dovetails using Paper Snips.
3. At the bottom of the 2-1/4 x 4-1/4" strip of Very Vanilla Cardstock, stamp the sentiment using the Tranquil Tide Stampin' Pad. Using SNAIL Adhesive, adhere the sentiment strip to the cardbase. Next, adhere the die cut stitched circle to the sentiment strip as shown, and then the Soft Sea Foam Design DSP with the dovetails to the stitched circle. Finally, adhere the Tranquil Tide Ruffled Ribbon to the DSP.
4. On the 2-1/2 x 3-1/2" strip of Very Vanilla Cardstock, stamp the cactus using the Mint Macaron Stampin' Pad and the leaf using the Crump Cake Stampin' Pad. Fussy cut the leaf and the cactus using your Paper Snips.
5. Using Multipurpose Liquid Glue, adhere the leaf to the cactus and then adhere the sprig to the leaf as shown. To adhere the Nature's Twine - Fresh Fig, place Stampin' Dimensionals Adhesive over all of the cactus. Arrange the twine as shown adhering it to the back of the cactus. When you are happy with the way the twine looks, put a bit of multipurpose Liquid Glue on the back of the cactus and adhere to the cardbase as shown.
6. Using the Bitty Blooms Punches, punch out a flower image on a scrap piece of Powder Pink Cardstock, crinkle the flower then flatten out again. Punch out the flower center image using a scrap piece of Fresh Fig Cardstock. Using Multipurpose Liquid Glue adhere together, then to the cacti as shown. Place a pearl from Share What You Love Artisan Pearls on the Fresh Fig center.
